(DATE OF SIGNATURE)	

Dear Sir/Madam:

This is in Response to the Office Action mailed September 8, 2000, for the above-captioned patent application. This response is submitted on or before December 8, 2000 with a request for a two (2)-month extension of time, under 37 C.F.R. § 1.136(a), and the requisite fee under 37 C.F.R. § 1.17(a). In connection with the above-captioned application, the Examiner is respectfully requested to consider the following amendment and remarks concerning elections of group and of species.

AMENDMENT

In the Claims:

a
13. (Amended) The method of claim 12, wherein the anti-atherogenic, anti-diarrheal, digestion, dissolution and/or absorption promoting and/or gastrointestinal transit slowing composition is administered up to about 24 hours prior to the administration of the substance.
